

CALL FOR RADIO OPERATORS

GIPPSLAND RALLY 2022

AUGUST 27 / 28

AUSTRALIAN RALLY CHAMPIONSHIP

Using 2M, 70cm & 6M frequencies

Digital and Voice Modes Communications

Camping available near event HQ and bush camping.

The Event HQ will be at Heyfield in Gippsland, about 200 km east of Melbourne. The competitive course will be on closed roads in the area between Glenmaggie and Mt Useful.

WICEN Vic will be supplying support communications for the event, requiring operators at each Start and Finish control, and at SOS points. WICEN Vic will probably be requested to provide data comms as well as voice; WICEN uses packet radio and bespoke software (TRAK) for this purpose.

Radio operators required for either days or both. Please contact our membership officer for further details.
